THE DETAILS

All packages include: donation drop-off, trash removal (to curb, under 50 lbs.), referrals for related moving services, and suggestions for organizing products in new home. For service packages, a \$250 deposit is due upon scheduling the work with the remaining balance due at the completion of the project. All packages are non-refundable. For pay-as-you-go services, time is billed in 15-minute increments after minimum time is met and the first session payment is due upon scheduling with subsequent session payments due at the end of each session.

All clients will be sent an invoice via email with complete charges itemized and copies of all receipts (if applicable). Payments may be made online with a credit card, though cash or check are also accepted in person if you prefer. The cost of moving supplies or organizing products to be purchased for the project are not included and are the responsibility of the client, though we can order and deliver supplies for homeowners if desired. If the organizer purchases items for the client, a 3.5% credit card processing fee will be charged.

More Breathing Room is pleased to provide you with professional organizing services. We offer referrals to related professional services such as cleaners, debris removal/shredding, document scanning, movers, etc.
